

KEY INVESTOR INFORMATION

This document provides you with key investor information about this Sub-Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Sub-Fund. You are advised to read it so you can make an informed decision about whether to invest.

Nedgroup Investments Funds Plc (the Fund) Core Global Fund (the Sub-Fund) USD 'C' Share Class (ISIN: IE00BY7YS09)

The Fund is managed by Came Global Fund Managers (Ireland) Limited ("The Manager")

Objectives and investment policy

The Sub-Fund aims to provide capital growth through low cost exposure to a range of global asset classes. Diversification across asset classes will reduce risk and volatility to moderate levels over the medium to longer term.

In order to pursue its investment objective the Sub-Fund is actively managed and will invest in collective investment schemes which are designed to track performance of investment indices. The collective investment schemes invest in a broad range of geographical areas and asset classes, predominantly in equities (company shares) fixed interest, cash and property.

The collective investment schemes may include other UCITS funds and collective investment schemes that satisfy the requirements of the Central Bank including exchange traded funds.

The Sub-Fund may also hold ancillary assets such as bank deposits.

The Sub-Fund is actively managed and is not managed in reference to any benchmark.

Recommendation: the Sub-Fund may not be appropriate for investors who plan to withdraw their money within a period of 5 years.

Other information :

- The base currency of the Sub-Fund is US Dollars.
- The currency of the share class is US Dollars.
- Any income generated will be included in the value of your shares.
- The Sub-Fund is intended for medium to long term investors.
- Shares may be bought and sold on any business day (subject to certain restrictions detailed within the Prospectus).

For full investment objectives and policy details please refer to the Fund's Prospectus and the Sub-Fund's Supplement.

Risk and reward profile

The Sub-Fund is ranked at 5 reflecting observed historical returns. This is not a measure of any risk of capital but rather a measure of the fluctuations in the value of the Sub-Fund.

The risk category shown is not guaranteed and may shift over time. The indicator uses a standard calculation method that is used by all UCITS funds.

The risk category indicator is based on historical data and may not be a reliable indication of future risk profile.

The lowest category of 1 does not mean "risk free".

The following are risks materially relevant to the Sub-Fund which are not adequately captured by the indicator:

- Risks associated with investments in other collective investment schemes (CIS) include:
 - disclosure, accounting and regulatory standards may be less stringent at the underlying fund level;
 - changes in economic, political, legal/regulatory and market conditions at the underlying fund level;
 - liquidity issues caused by use of side-pockets by the underlying CIS; and
 - dependency on underlying CIS and lack of control due to lack of involvement in the day-to-day management of underlying CIS.
- Currency risk – the value of the Sub-Fund may be affected by changes in currency exchange rates for those securities held in non-base currency (USD).
- Operational risk – the impact of breakdowns in systems, internal procedures and human error.

For further details please refer to Section 4 - Risk Factors in the Fund's Prospectus.
